Boemba is enjoying the sun.

**“Hallo! Here I am!” a disembodied voice speaks.
“Wrzzit?” Boemba asks.**

**“Hi, my name is Mouse,”
Mouse says.**

**I’ve been living
in Boemba’s background
for quite awhile.**

**And now I would like
to have a minute
of your time.**

**Let me prove to you
that I am
all but a grey mouse!”**

**“For example,
did you know I accompanied Boemba on his holiday?”**

**“I discovered
many new cultures
during this trip.**

**Sometimes I played
tricks with people,
like I did with this
little Chinese girl.”**

**“While the lazy Boemba watches television,
I go out to discover the *real* world!”**

“In my spare time I jump on a bike and dream away.”

“I climb trees and appear to stick to thin branches.”

“Me and my friend Bolly will be romping in the garden at any time.”

**“Bolly is not the only friend I’ve got.
Flimmy en Kas helped me out of dangerous situations
on many occasions!”**

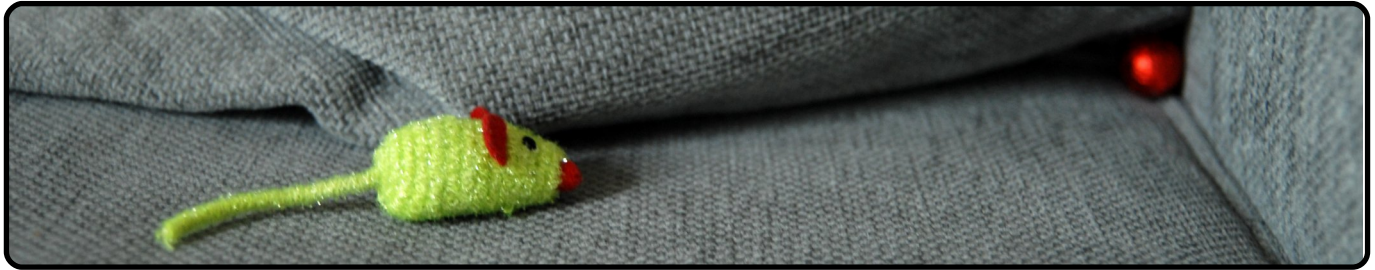

**“I’ve made a lot of friends in scary countries,
far, far away!”**

“Infrequently I make a trip close to home!”

**“On fridays I defy fate and play games
with frightening monsters!”**

“Around Easter I hunt for Easter eggs.”

“On Easter Monday I collected a full bowl of eggs!”

**“Around bedtime I read stories
to Boemba and Bolly.”**

**“You know, I lead a very pleasant life!
I must be the most adventurous housemouse I know!”**
